Describe student daily duties:

Duties include everything from sandwich making to answering the phones, taking orders, slicing, cleaning and prep, Pretty much everything. Most of the positions are for International employees, and are the same at both locations. Many of my people work a second job-two girls this past Summer left with \$6,000 each. And they had fun earning it! Since we are only open from 7am to 4pm, you can get a second job in the evenings, and do very well financially.

Requirements for applicants:

One student has to come in May 15, others in June 1-20

The students should have good English knowledge, (8-10). They should be highly motivated. Had bad experience with students from Russia
