### Community Information

Community Description Los Angeles has the largest civic center in the country outside of Washington DC. There are

also beaches, and more beaches each with their own unique culture.

The diversity of the city makes it difficult to describe. The 9,000,000 + residents social and economic profile contains some of the wealthiest and poorest groups in the US. In an unusual way, the city shapes the character of the population. Air Quality has improved recently. It is a city of personalities

It is a unique city in that the temperature is sub-tropical with many beaches, yet snow-covered mountains are less than 70 miles away.

A visitor should be prepared to pay high prices for services in Beverly Hills, and find moderate prices in other sections of the city. See this page for lodging information and tourist attractions.

USC and UCLA are outstanding educational institutions. Because of its temperate climate, LA is a sports mecca.

#### Surrounding Area

Local Altitude 233 feet, 71 meters

Local Clothing Los Angeles does not experience extreme heat or extreme cold. This is a extremely nice climate to live in for any season.

Local Temperature Winter: 48-70 F; Spring: 51-78 F; Summer: 60-85 F

Local Things To Do Who hasn't dreamed of going to Hollywood? There are so many things to see and do in LA that you will have trouble choosing what to do next.
